Baritone saxophone: .....	\$80.00 .....	\$750.00
Bassoon: .....	\$80.00 .....	\$750.00

Cleaning and Regulation includes lubricating all keywork, cleaning toneholes, the bore and the body of the instrument as needed, ensuring that all pads are seating properly, and regulation of keywork as necessary for good playing condition, as well as replacing up to two pads and three key corks. For work beyond this, there will be a corresponding extra charge based on time.

A Woodwind Overhaul is a mechanical restoration that includes replacing all pads, corks, swedging keywork to eliminate lost motion, and lubricating and regulating instrument to play as well as humanly possible. Wooden bodied instruments will be treated with appropriate oils, and tone holes repaired as needed. Replacing missing parts is extra, as are major dents in saxophones or bass clarinet bells, or refinishing. Please call for details.

Woodwind crack pinning (per pin)..... \$60.00

Clarinet tenon replacement service is available, and price varies by size of instrument and extent of damage. Please call or e-mail about tenon replacements. Other woodwind services are based upon a shop labor rate of \$75.00 per hour. Feel free to contact me also about any repair concerns that are not listed above.
