Tenor saxophone:	\$90.00.....	\$735.00
Baritone saxophone:.....	\$95.00.....	\$1,050.00

A Woodwind Overhaul is a mechanical restoration that includes replacing all pads, corks, swedging keywork to eliminate lost motion, and lubricating and regulating instrument to play as well as humanly possible. Replacing missing parts may be extra, and refinishing quotes are available. Grenadilla instrument bodies will be treated with oil, and bore can be polished if desired. Please call for details.

Woodwind crack pinning or banding are priced by quote, after inspecting the instrument.

Clarinet tenon replacement service is available, and price varies by size of instrument and extent of damage. Please call or e-mail about tenon replacements. Other woodwind services are based upon a shop labor rate of \$80.00 per hour. Feel free to contact me also about any repair concerns that are not listed above.
